

Acetyl-L-Carnitine

500mg Acetyl-L-Carnitine per capsule

Acetyl-L-Carnitine provides targeted support for the brain and nervous system. Orthoplex Acetyl-L-Carnitine delivers a carefully considered and scientifically relevant dosage of 500mg acetyl-L-carnitine hydrochloride (HCl) per vegan friendly capsule. The ultra-low excipient design provides a quality source of acetyl-L-carnitine for aiding neurotransmitter synthesis, and supporting energy levels, healthy mood balance and male reproductive health.
