

ElderForte

Traditional Immune Support*

Orthoplex ElderForte is a first-line immune formulation created specifically with the traditional herbalist in mind. Each botanical has been consciously sourced and researched to reflect the solvent and plant part traditionally used for supporting the health of the immune system. ElderForte offers clinicians the first Boneset, Elderberry and Elderflower blend on the practitioner-only market authentically coupled with traditional immune essentials, *Elecampane*, *Echinacea* and *Calendula*.

- ✓ **Gluten Free**
- ✓ **Dairy Free**
- ✓ **Sulfite Free**
- ✓ **Soy Protein Free**
- ✓ **Vegan**

- ✓ Andrographis-free
- ✓ First practitioner-only Boneset, Elderberry and Elderflower blend
- ✓ Botanicals sourced to provide the solvent and plant part consistent with that traditionally used for immune support
- ✓ Herbs traditionally used for antipyretic, lymphatic, decongestant, expectorant, and antitussive actions

Indications

- *Sambucus*, *Echinacea* and *Eupatorium* are traditionally used in Western Herbal Medicine to reduce and relieve the symptoms associated with the common cold and flu
