

Gut SynBiotic

Specialised Probiotic and Prebiotic

Orthoplex Gut SynBiotic is a shelf-stable synbiotic combination of Sunfiber®, a non-GMO, partially hydrolysed guar gum, free from glyphosate residue. It has been developed with two strain-specific, spore-forming probiotics, *Bacillus coagulans* Unique IS2™ and *Bacillus subtilis* HU58™.

Spore-forming *Bacillus* bacteria are live cells in a dormant state that we often consume with vegetables or raw food. The outer layers of the spore protect against extreme temperature environments such as heat, low stomach pH and bile, and require no refrigeration.

- ✓ **Gluten Free**
- ✓ **Dairy Free**
- ✓ **Sulfite Free**
- ✓ **Soy Protein Free**
- ✓ **Vegan**

- ✓ Strain-specific *Bacillus* probiotics
- ✓ Certified, glyphosate residue free Sunfiber®
- ✓ Shelf-stable
- ✓ FODMAP-friendly
- ✓ Unflavoured and unsweetened
- ✓ Well tolerated Partially Hydrolysed Guar Gum fibre

Warnings: If pregnant or likely to become pregnant, consult a pharmacist or a doctor before use.
