

# Pure D

## Ultra Pure Colecalciferol

Orthoplex White Pure D has been carefully developed for sensitive patients. We know you care about the finer details of the products you prescribe, and so do we.

The German-engineered glass dropper bottle delivers a unique user experience. Each easily administered drop delivers a precise 1000IU of vitamin D with a massive 500 doses contained in every bottle.

We know compliance is key to your patient's health outcomes. A single drop eliminates challenges with swallowing, taste or texture. The fully disclosed ultra-low excipient formulation means you know exactly what your patients are taking, every single time.
